

Community Group question 5.24.20

Please feel free to use these as a guide for your community group discussion.

1. What impacted you the most from this past Sunday service?
2. How do you see our sinful desire to “enslave” others play out in our world today, how do you see those desires in yourself?
3. Do you have personal friendships with people who are significantly different than you? What do those look like?
4. The Jews also found themselves in slavery as discipline from God for chasing after the Egyptian idols and abandoning true Godly worship. Where in your life might God be trying to grab your attention for chasing after things that are not him?
