

Sermon application questions- (these are intended for personal use as our Community Groups are on break for the summer)

Feel free to use these as a guide as you process the sermon and apply it to your life.

1. What did you hear from Sunday?
2. Have you been taking enough time to sit in front of the Lord and listen through Bible reading, prayer, silence and solitude, sabbath and fasting? Is there anything in particular you feel like the Lord is trying to communicate to you through this season?
3. What insecurities might you have where past failures would keep you from doing something now?
4. Are you being obedient to the things the Lord is asking you to do?
