process and apply this week's message

Exodus 12 – 8.2.2020

1. What impacted you the most from Sunday and why did it significantly impact you?
2. Read Exodus Chapter 12 again, as it is so full of rich imagery surrounding the institution of Passover and its importance to the story. Take note of any particular parts of the sacrifice and feast that you may not be familiar with.
3. Take a moment to list all of the similarities you can find between this moment in the story of Exodus and the story of Christ's crucifixion. Why was it so important to God that Israel remember this moment?
4. A major theme of this week's message was memory. How has the world been distracting you in an attempt to make you forget the great sacrifice of Christ on your behalf?
5. The author of Hebrews writes,
"But exhort one another every day, as long as it is called 'today,' that none of you may be hardened by the deceitfulness of sin." – Hebrews 3:13
Identify and pray against the distractions of the world discussed in question 3. How can we be building one another up and reminding one another of God's goodness during this season of isolation?
