

Sermon application questions (Exodus 7 - 7/12/2020)

1. What impacted you the most from Sunday and why did it significantly impact you?
2. God shows himself in at least four ways through the plagues;
 - through his power over all of creation
 - through his willingness to work through people
 - through what seems like natural events
 - through human agency and our free will

How does this resonate with you and your personal experience?

3. We also see that God brings people and cultures to freedom. When we obey God cultures flourish, when we disobey God the creation order fall apart ultimately in death. Think through your life and the relationship between wellbeing and obedience to God.
4. Recognize that we all need a rescue whether you feel like you are free, like the Egyptians or know that you can't save yourself like the Hebrews. Pray and ask God to give you the heart to see your regular need for him and the cross.
