process and apply this week's message

Exodus 8-11 Pastor Josh Carstensen

1. Spend time reading Exodus 8-12 this week in reflection of this past Sunday and in preparation for next Sunday.
2. As you are reading, also spend time in prayer asking God to give you a heart like his that desires all people to know him. It can be easy right now to simply want God to bring justice on all oppressors, but we see from Exodus that God wants all to know him and follow him.
3. As God showed his power over the demonic spirits behind the gods of Egypt it is important that we are aware of our tendencies to worship things that aren't God and the strongholds they can have in our lives. What do you find yourself desiring that isn't from God?
4. God made it very clear to the Hebrews- they had a decision to make, "Fear me or fear the gods of Egypt and the pressure of the Egyptians." Have you made the decision to follow Jesus? If not, what is keeping you from following him? If so, remember this will be an ongoing decision that you will need to make.
5. This week pray for college students who are making significant life transitions in the middle of so much uncertainty.
