journey through exodus

process and apply this week's message

Exodus 14

1. What resonated with you from chapter 14? Why?
2. What is the "Red Sea" that is currently in front of you? What feelings are you experiencing as you face it? What is God saying to you as you face it?
3. Re-read 2nd Corinthians 4:16-18. How does that encourage you? How might believing the truths in these verses reframe your current circumstances?
4. Re-read Romans 5:3-5. Have you considered what this passage is saying about your current difficulties? Have you seen God do this in your past? What did that look like?
5. How might you take today's message and encourage someone you know who is in a difficult situation?

Challenge: Consider memorizing 2nd Corinthians 4:14-16-18 and/or Romans 5:3-5 and pray over them as you encounter difficult circumstances.
