journey through exodus

process and apply this week's message

Exodus 16

1. Spend time reading Exodus 16 this week in reflection of this past Sunday.
2. Think through the biggest external challenge that you have ever faced. How does that compare to the ongoing internal challenges that you regularly face?
3. Spend time meditating on the idea that God brings us through the wilderness to grow us out of our old way of slavery (to sin) thinking.
4. What does sabbath look like in your life? If this is not a regular practice, try to spend one day that you specifically give to the Lord to remember his goodness and to enjoy him while putting all work and progress aside.
5. What is something that you can do to remember God's faithfulness to you specifically in times of wilderness?
6. One way that we can dwell with God in the wilderness is to dwell with his people. Are you remembering to prioritize connecting with God's people in this season where doing so takes a lot more effort?
7. Join us in praying for our ministry partners Jens and Deborah as they minister to those in South East Asia.
