PROCESS AND APPLY THIS WEEK'S MESSAGE

Exodus 20-33

11.15.20

This is the last week of our 8-week community group run. We encourage all groups to take a break from meeting until our next run which starts in January!

- What is going well in your life and what is currently challenging?
- This fall have you been able to build any relationships with people who either look differently than you or think differently than you? Share what that experience has been like.
- Have you had any moments this fall where you have said, *Here I am?* Meaning, have you had any moments where you have told God, "I don't understand what you want me to do, but I am here, and I am willing to listen to your instruction." Share that experience.
- When the Israelites thought Moses was gone, they immediately went back to their old way of thinking, to their previous world view, and made a golden cow. For you, when do you find that you are most vulnerable to going back to previous ways of thinking that deny God's power and authority?
- As we prepare to finish the book of Exodus, spend some time thinking about what it means to long to be in God's presence.
- Join us in praying for our ministry partners the Grahams!
