

YEAR-END REFLECTION

SUNDAY, DECEMBER 27

PART I

Begin by taking part in the special [Advent Journal entry for Sunday](#). Spend some time, individually or as a family, reflecting on our advent scripture from **John 1:1-18**.

PART II

As we look back at the year 2020, it has been a significant year with a lot to learn from. Conversations of crisis, health, race, politics, and equality have shaped our landscape. We have learned so much about who God is and how he deeply cares about humanity, what we are going through, and how he longs more than anything to dwell with us. In January we launched our Romans series asking God to give us clarity about the nature of God and the nature of man. We followed Romans with the story of the Exodus and saw God's heart for humanity as he brings us from slavery to freedom as we learn to dwell with him. Through our themes of Clarity and /LIV/ we have learned much about how to rely on God in unreliable times. For today's worship and devotion, we want to spend time *remembering* and reflecting back on some of the significant things we have seen and learned in 2020. Please take the time to look back and reflect.

S FOR SCRIPTURE

What scripture stands out from the past year? Is there any specific verse(s) that you have been meditating on throughout 2020?
