

SERMON APPLICATION QUESTIONS | January 23, 2022

As we are going through our vision series, This Is Our Heartbeat, we encourage you to take the time examine your life, your relationship with God and your relationship to our church family. Under our true leader Jesus Christ, everyone belongs, and everyone has a part to contribute. We encourage you to take notes and have open heart to how God might be moving in your life during this season.

We encourage to use the following questions to help prompt follow up application to your life that you can use with your Community Group or on your own.

- What immediately comes to mind when you think about sharing your faith with someone?
- Peter gives us six marks of a follower of Christ. Which area needs the most attention in your life and what can you do about it?
- Do you feel the “blessed” results that Peter talks about?
- Do you feel confident enough in your faith that you would want to share it with someone? Is there anything keeping you from sharing?
